Re: Request For Public Records

Dear Mr. Kingkade:

While your 12/5/18 request was not reasonably particular according to parameters set by the Indiana Public Access Counselor, as matter of efficiency we searched emails sent by Scott Olinger, Sabrina Kapp, Melvin Siefert, Jessica Elston, and Michael Allen from 8/1/18 through 11/20/18 with any of the following search terms in the message from the identified email authors: fees, publications, magazine, shakedown, and shaker. Consistent with this and previous communication, please find enclosed the only record responsive to the search.

Sincerely,

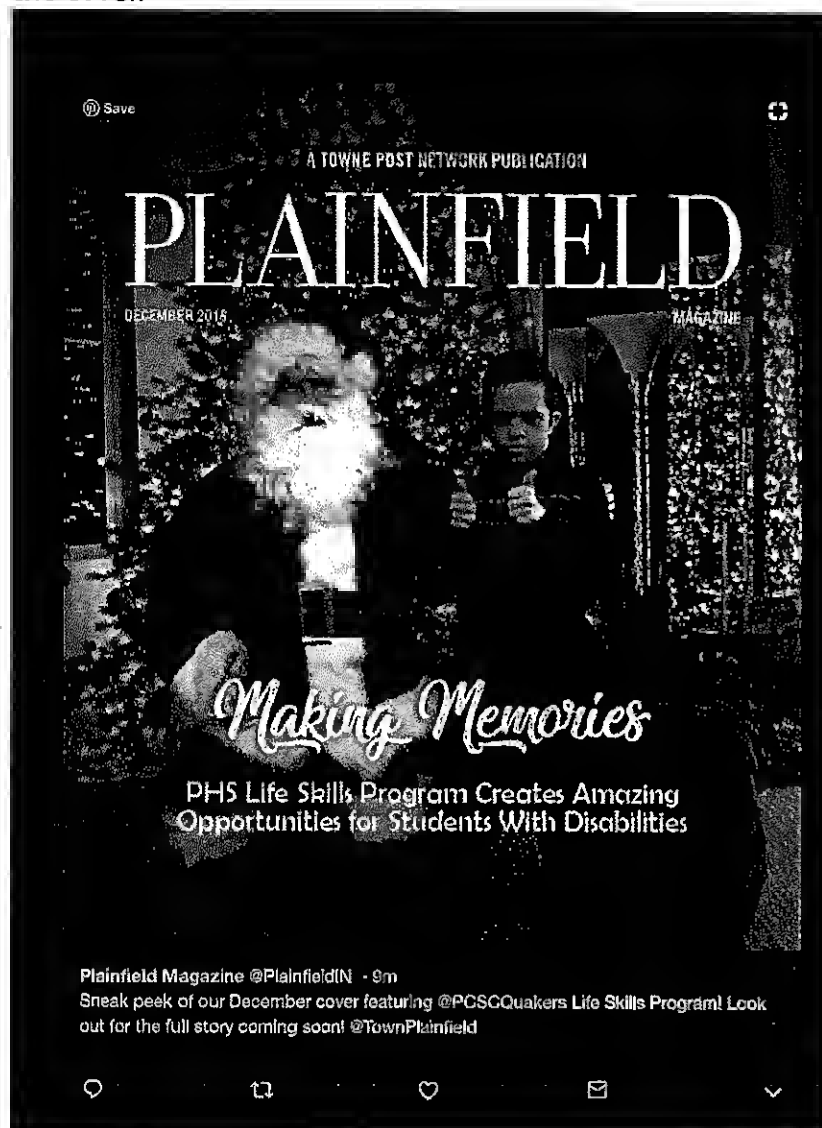

Jud Wolfe
Assistant Superintendent

It IS the front cover, and they bring us at least 20 copies. I will save them for you! Here is a pic of the cover.

If anyone gets the Plainfield Town Magazine for December, I would love to have a few extra copies. My son, Kyle, is on the front cover with Santa. I believe it's the front cover, but there is an article about his life skills class at the high school. Thank you in advance.
